Dear families,

Breakfast Club

I am writing to update parents regarding breakfast club provision within the school and how it applies to children in pre-school.

At the end of the last academic year, we extended our breakfast club using new government funding, and made it available to all children, at no cost, from 8.15am.

The legal regulation regarding caring for children in pre-school is very staff intensive, particularly in terms of staff training and the number of staff needed to be present whilst children eat. The new government funding only covers children from Reception to Year 6. We determined at the end of last year that we could not therefore continue to provide breakfast club spaces for children who are not attending Reception to Year 6. Bagels continue to be available to every child in the mornings.

I am sorry if this causes inconvenience to you as a parent; we will keep this under review if funding changes.

Your faithfully,

Paul Davis
Deputy Headteacher
